

THE OUTCOMES

CREATES A POSITIVE COUNTRY

Creating a positive country with belonging for our youth and children of this country. This will create growth leaving many social problems behind and in turn will improve homelessness and poverty but especially knife crime as we can stop it at the source.

SAVES LIVES

Save lives today.
Save BILLIONS going forward.

ECONOMY

Creates new jobs, builds a stronger economy.

BELIEF

Creates belief and hope for our broken society.

RACE

Racial tensions and anger will disappear.

POLITICAL VIEWS

Connecting the people in all aspects of our a country with a common bond. All political views united.

NEW ACADEMIES

The Academys are the perfect places to help reform kids before facing jail or committing crime in the future. They will become a haven of hope and protection for all kids.

Builds an extra family around them.

COUNTRY UNITED

Uniting our people will connect them to our Government for all the right reasons with one focus.

One Direction, One Road

CREATES CONNECTIONS

Connects and builds our communities.

MENTAL HEALTH

Improve mental health issues the younger generation face on a daily basis.
